Write to: BARBIE Comics, 387 Park Avenue South, New York, NY 10016

Hey, kids — Since we print your name, age, city and state, please include them on your letters.

Dear BARBIE,

Hi! My name is Sarah. I am 8 years old. I go to White Oaks Public School. My hobbies are reading, ice skating and horseback riding. I love animals and Barbie dolls. My favorite food is pizza. My favorite color is pink. In August I am going on a trip to Ireland to see my grandma.

I love BARBIE comics. My favorite story is "Red Letter Day."

Sarah Lowe, age 8
Toronto, Ontario
Canada

Now we feel like we know you, Sarah! Thanks for writing!

Dear BARBIE,

My big sister really loves you. She is your biggest fan. I am writing to ask you if you would create a character around her for one issue. She would be so surprised. Her name is Ann Durham and she is a petite Asian who is the manager at a bookstore in Austin, Texas. I am sending along a picture of my sister. She loves the color purple.

Please consider a cute story line with a dear friend of Barbie's named Ann. I love my sister and want to see her with Barbie — up close and personal!

Kim Yan, age 25
San Antonio, TX

We think it's pretty terrific of you, Kim, to write to ask us to do this for your sister! She's very lucky to have a sister like you!

Unfortunately, we don't feature real people in BARBIE or BARBIE FASHION stories. Barbie's world includes all of your favorite dolls: Midge, Skipper, Ken, and all her other friends. But, how about a special "hello" right here in our letters page: Hi, Ann! We thank you for your idea, and the beautiful photo of your sister. We'd like to remind all of our readers that we cannot return any material sent to us, including fashion designs and photos.

Dear BARBIE,

I love BARBIE comics. Well, actually I just got my first one. It was good. I love to play with Barbies. I wish that I had a million of them. But I'm very excited to have this comic book.

So how is Ken doing? I hope your relationship is great.

I wrote a poem for you:

Barbie and me as happy as can be.

We'll be best friends forever and always together.

I love you so much
I hope you're not on a crutch
Bye, but don't cry
Cause I'll be back later
We'll go to lunch
And I'll have some 'roters.

Theresa Chester
Yeadon, PA

Great poem, Theresa! Thanks for sharing it with us and the BARBIE and BARBIE FASHION readers.

Dear BARBIE,

I get your comics. They are very good. I was just reading one of your comics and I thought I should tell you my ideas for stories.

One of my ideas was Skipper just lost her best friend and Skipper and Barbie go looking for a new best friend for Skipper. But the next day at school, Skipper finds a new best friend.

Bailey Reikes Fox, age 8
Los Angeles, CA

Sounds like you're keeping your imagination busy, Bailey! You have great ideas! You might want to write your own stories, based on your ideas about Barbie or other people, and share them with your friends and family. It's never too early to start thinking about being a writer!

Dear BARBIE,

I love your comic books! The artwork, fashions, and the stories are great. You sure have some creative people working for you!

I wish some of your critics could read "Role Model" in BARBIE FASHION #27. I, too, tend to be thin, but I eat well and take vitamins.

I am one of your older fans, but I still think you are a wonderful role model and a beautiful lady! My nickname is "Midget!" Tell everyone I said hello!

Alice Hasenbank, Age 34
Kansas City, KS

It's nice to hear from fans who can personally relate to a special story in BARBIE or BARBIE FASHION, Alice! We think it's important to remind our readers that every person is a unique individual, with a unique and special body, and each person has a different metabolism. Metabolism is the rate your body absorbs the nutrients you get from the food you eat. Some people have very high metabolisms that burn up the food they eat quickly and they are naturally thin, while some have lower metabolisms, and are naturally heavier. Of course, it's important

to eat right and exercise to be healthy!

Our differences are what makes the world an interesting and exciting place!

Dear BARBIE,

My name is Sammie Rinehart. I am 8 years old. I have one sister and two brothers. I live on a ranch. I am in second grade and the 4-H club. There are 23 students in my class and my best friend is Faye Buchholz.

Oh, yes, I just remembered. I have a mom and dad and we raise a lot of cows. I am going to have a steer and a heifer for the 4-H show.

Sammie Rinehart, age 8
Highmore, SD

Wow, Sammie, you're very lucky! Raising cows and being in the 4-H club is very exciting. You might not realize it, but we bet that many of our readers are city dwellers who may never have seen a cow close up!

BARBIE'S BIRTHDAY CORNER

There are lots of BARBIE and BARBIE FASHION readers celebrating birthdays in the month of June!

Karlin Tefft, of Sun Prairie, WI, celebrates her 8th birthday on June 1st! Then on the 2nd, Alida Davis, from Jonesboro, LA, turns 11! Right after Alida, on June 3rd, Krista Bowman, of Glendora, CA, celebrates her 10th birthday!

Natassa Juit, from Greenville, MS, will be 8 years old on June 10th! Sharing that special day with her is Lisa Marie Brunt, of Pensacola, FL, who will be reaching the double digits for the first time when she turns 10! On June 13th, Taryn Stiles will celebrate her 8th birthday! And on the 15th, Joanna Marie DeMao, from Indianapolis, IN, will be 9 years old!

Lauren Gay, of Portland, OR, turns 10 on June 16th! On June 29th, two readers celebrate their birthdays! Rachel Berg, from Neenah, WI, turns 11, and Sarah Phippen, from Laurel, MD, turns 9! Ashley Eckhardt, of Kiel, WI celebrates her birthday on June 30th!

A very happy birthday to these and all the BARBIE and BARBIE FASHION readers celebrating their special day in June!

If you'd like to see your birthday listed here, be sure to send us your name, age, birthday, and address well ahead of time!
